

These are some ideas to support your child at home to help with their learning in Creative Subjects. If you need further information please discuss with your child's teacher.

Drama:

- Look for how the keyword of the week is used in television programmes.
- Aim to take your child to the theatre whenever possible.

Media:

- Watch TV and look for Mise-en-scene and target audience.
- Identify how many different Genres you can see in a weeks' worth of Media consumption.

Textiles:

- Be aware of current fashion trends.
- Look into ways of recycling and reusing fabric.

Art:

- Ensure students have basic Art equipment at home, eg: colour crayons, watercolour paint, pencils.
- Try to visit art galleries and exhibitions with your child.
- Look at the world around us and discuss the colours which can be seen, eg: skies, hills, trees, leaves, etc.
