Welcome to Tibshelf Community School!

Recruitment has been good again this year and once more we find ourselves being significantly over subscribed. We will continue to work with parents and the Local Authority to admit some pupils who have initially not been offered a place.

From March through until June, Tibshelf staff will be visiting all catchment primary schools for discussions with Year 6 class teachers about the children who will be joining us in September. These discussions will include both achievement levels and social issues around friendship groups. Also, The Modern Foreign Language Leaders will be delivering a language lesson in Primaries at the end of May. Reading tests carried out by our staff at your primary school between May and July will ascertain any areas that your son/daughter may need help with.

All students will have the opportunity to spend 2 days at Tibshelf Community School the first being **Monday 26th June**, to meet their Head of Year, Form Tutor and take part in a number of activities. An Open Evening for parents and students follows that evening where you will be provided with further information. Parents themselves will have the opportunity to meet and ask questions of the Head of Year 7 and the Form Tutors during the course of the evening.

Students second day, **Tuesday 27th June**, will have a more academic focus with students attending core subject lessons.

For the events held at Tibshelf School on Monday 26th and Tuesday 27th June, you will need to make your own personal transport arrangements for your child. Children need to be dropped off at Tibshelf School at 8.50am and can be collected at 2:30pm from either the student entrance on West View or from the main car park (over-spill parking available on the tennis courts). Students will be allowed to use the school buses if required. **Please do not park on West View to collect your child at 2:30 pm.**

Further information will be provided nearer the time and we hope that this is the start of a long and enjoyable relationship between yourselves, your child and Tibshelf School.
