## RE: Thorne Sea Cadets

Dear Parent/Carers

We would like to inform you that your child has secured a place on the boating trip to Thorne Sea Cadets, and we would like to give you some information about the day.

### Weather and clothing

Students must wear their red school PE top and suitable shoes, such as trainers. If the weather is warm enough for shorts, please ensure that your child's shorts are loose-fitting; please also ensure that your child brings a hat, sunscreen, and a water bottle. If the weather is cooler or there is a chance of rain then long trousers should also be loose-fitting, and please ensure that your child has a suitable shower-proof jacket. In either case, your child should bring a backpack with a towel and a change of clothes.

### Food and spending money

Packed lunches will be provided. No spending money is necessary, as there are no gift shops at the boating venue.

### Mobile phones and other valuables

We strongly recommend that students do not bring mobile phones or other valuables. There are no lockers to protect such items and we would not want expensive items falling into the water. The school will not be held responsible for lost or broken phones, nor will it be held responsible for other valuables (such as earphones or ear buds) that students might bring with them.

### Departure and arrival times

Students should arrive at school at the normal time, and we will depart shortly after. We will arrive back to Tibshelf School in time for normal school dismissal at 3:00 pm.

## Behaviour

We would like to remind you that your child is representing our school to the general public. We expect the very highest standards of behaviour on the bus and at the venue. Failure to meet our expectations might mean that your child is withdrawn from the activity and not invited on future trips.

Kind regards,

**D Tones**

**Director of Science**

**D Nuttall**

**Teacher of Science**
