RE: Sports Day 4th July

Dear Parent/Carer,

Our annual sports day falls on Thursday 4th July where all students are in school participating in a variety of sporting activities. These activities are athletics track and field events, interform games, tug of war, rounders, and a sports documentary.

On this day all students should come to school at normal time in their Tibshelf PE kit (red Tibshelf PE top, black bottoms, black Tibshelf PE jumper and trainers). Your child may also wish to wear face paint/glitter to represent their house colours, please note this must be done in an appropriate manner.

The timings of the day will be slightly different to enable all the activities to take place, however students will still need to attend form time at 8:30am in their usual rooms. A staff member will be there to explain the day and take them to their first activity. Lunch will be on in the canteen as a 'grab and go' service. If your child has a free school meal this will still be available. The school day will still finish at 3pm with buses arriving for this time. If the weather is forecast to be warm and sunny; please ensure your child brings a bottle of water to school, has sufficient sun cream and a sun hat if they wish. We are unable to provide suncream to your child.

During the documentary lesson and the afternoon track events students will be able to purchase ice creams and refreshments at a small cost.

Kind Regards,

Miss Thorpe
